
WAND K-12 Education Taxonomy

The WAND K-12 Taxonomy contains 828 categories and 368 synonyms covering Academics, Activities and Athletics, Administration, Facilities, Personnel, Support Services, and more.

Designed specifically for school districts, the WAND K-12 Taxonomy (also known as the WAND School District Taxonomy) was developed by a former school board member. The taxonomy was built to help school districts tag and organize content and documents so that they are more findable.

This taxonomy jump starts a taxonomy project for a school district and is ready to be customized with terminology specific to that individual school district.
